

Opal Sole Wall Basin

Ceramic Wall Basin

Basin Size: 550mm x 560mm (nominal).

Basin Capacity: 9.5 litres.

The **Opal Sole** wall basin is a contemporary style basin with smooth rounded contours and clean lines. Part of the hero Opal basin range, the **Opal Sole** wall basin meets the needs of the designer market for prestige projects. With superior functionality this basin is designed with an increased projection to allow for easier access for wheelchair users. The waste is also positioned towards the back of the basin to minimize splashing. Available with optional shroud, this basin is suitable for domestic, commercial and ♿ accessible applications, including accessible sole occupancy units (refer to Caroma Care Wall Basin section).

Tap Holes: Basin available in no taphole, one taphole (centre) and three taphole options.

Shroud: (Optional) The shroud completely conceals the P-trap waste pipe fittings. **Concealed Fixing Bracket** (supplied with shroud). Must use 40mm Short P-trap, Code No. 102115. **Note:** It is essential for the installation of the shroud to the basin that clearance is provided for the shroud in the plumbing setout from water inlet pipes and connections.

Overflow: Overflow not available.

Fixing: **D.200 Basin Fixing Kit** (supplied) – bolts directly to finished wall.

Installation: Refer to *Important Information for Plumbers* section.

Colours: White only.

Supplied with chrome grate waste.
