

Cube Invisi II Wall Hung Suite

4.5/3 litre Dual Flush Toilet Suite with Cube Smartflush Vitreous China Wall Hung Box Rim Pan and concealed Invisi II Smartflush Cistern for Inwall, Under Counter, Induct or Inceiling applications

Cube Invisi II wall hung toilet suite is suitable for inwall, under counter, induct and in ceiling applications. Featuring smooth sides and concealed plumbing fittings with projection from wall of 550mm. The 4.5/3 litre Caroma Smartflush system provides water saving technology. Multiple button options are available to suit domestic and commercial applications.

Pan: **Cube** 4.5 litre full flush wall hung box rim pan.

Traps: P-trap only. Invisi II wall hung waste connector supplied with all Cube Wall Hung suites, except for Cube Wall Hung suite for structural brick walls which uses mounting bracket D788.

Cistern: **Caroma Invisi II Concealed Cistern** – suitable for inwall, under counter, induct and in ceiling applications. Buttons and access plate or remote mounting box are not included with the cistern, see Invisi II Cistern page for available options.

Fixing: **Pan – Invisi II Wall Hung Pan Bracket** options — **D.403 Standard** Code No. 237403, **D.402 Under Counter** Code No. 237402. **Sanifix Wall Hung Pan Bracket** option — **D.788 Bolt Through the Wall Bracket** Code No. 687788. **Note:** The bracket systems are suitable for installation only where non compressible wall materials are used.

To fix the **Cistern**, the cistern and bracket for under counter or in inwall Invisi II systems are pre-assembled and are supplied with the flush pipe and a waste pipe suitable for installation in a 90mm cavity wall. Structural brick wall systems require the cistern to be fixed to the wall. For inwall applications with raised height cisterns an extension kit is provided with the kit.

Seat: Includes **Cube Soft Close** seat.

Installation: Refer to *Important Information for Plumbers* section.

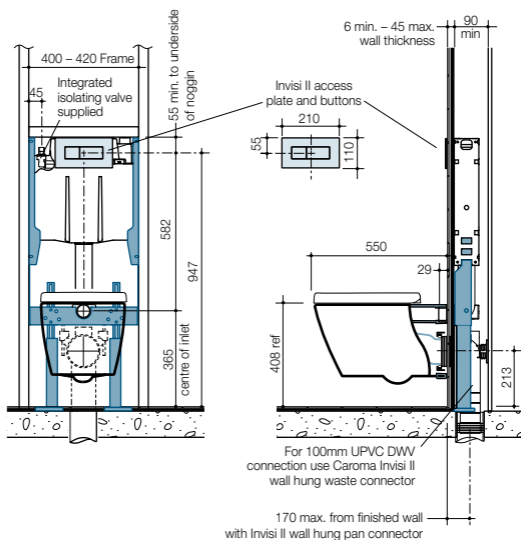

Colours: White only.
