

Contura Wall Faced Close Coupled Suite

4.5/3 litre Vitreous China Dual Flush Wall Faced Box Rim Close-Coupled Toilet Suite

A toilet suite with a curvaceous and organic design to elevate your bathroom surroundings. The pan connection system includes the patented Caroma Uni-orbital® connector which extends to any position up to a 50mm radius. The setout range is from 60mm to 225mm with a recommended setout of 140mm providing installation versatility for both new and renovation applications.

Pan: Contura 4.5 litre full flush box rim pan.

Traps: Universal trap for S or P-trap installations.

Cistern: Contura Cistern – Cistern shroud conceals an integrated dual flush cistern and is suitable for domestic and light commercial applications. Available as internal overflow. Standard back entry only. Cistern inlet stop valve and inlet connection is concealed within the cistern and is included.

Vandal Resistant System - A vandal resistant system is incorporated to lock the shroud onto the cistern tank.

Important: Working pressure minimum 30kPa to maximum 1000kPa flow pressure. Rain water tank compliant. Accurate wall setout for B.S.P. 1/2" Nipple water inlet connection is essential.

Fixing: The cistern is fixed directly to the pan with a robust concealed base fixing system without the need for wall fixing

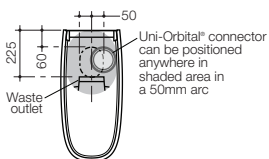

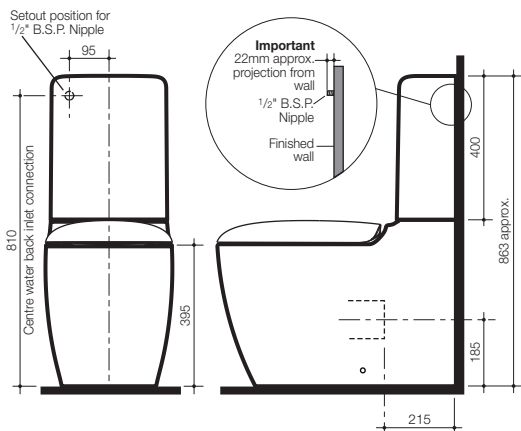

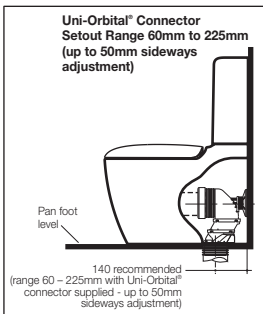

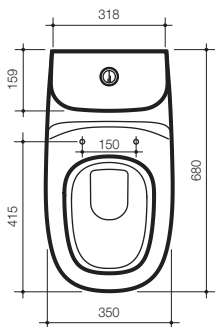

Seat: Includes Contura Soft Close seat.

Installation: Refer to *Important Information for Plumbers* section.

Colours: White only.
