Care 660 Cleanflush® Easy Height with Armrests and Nurse Call Button

Right hand Nurse Call Button version shown above.

Note: This suite is not suitable for AS1428.1 installations.

The **Care 660 Cleanflush® Easy Height** suite with integrated **Nurse Call Armrests** offers an elevated pan for easy transfer on and off the seat, making it the ideal option for those with limited mobility. The nurse call button is fully integrated into the suite allowing the patient to easily access nurse assistance without the potential danger of reaching around to the wall. The added hygiene of the Cleanflush® rimless flushing system makes the range ideal for hospital, aged care and commercial applications where the absolute highest levels of hygiene and rapid cleaning are required. The additional support of stainless steel armrests makes this suite ideal for the elderly or people with restricted movement. *For more information refer to www.caroma.com.au.* **Note:** The armrests are not required or suitable for AS1428.1 installations.

Pan/Suite: Care 660 Cleanflush® Easy Height Close Coupled Toilet Suite

Installation: Armrest integrated into toilet suite design. The armrest bracket bolts onto the pan under the cistern and seat platform - No structural wall installation work required.

Features:

- Fully integrated Nurse Call Button (located to the side of armrest to minimise unintentional triggers, wet environment IP56 rating, easy to service and maintain, LED response light).
- Includes integrated stainless steel armrests (load tested to 160kg, no structural wall required for install, inbuilt safety locking mechanism, includes toilet roll holder and nurse call button on left or right arm).
- Raised height ideal for the elderly or people with restricted movement.
- Universal trap for S or P trap installations.
- Includes patented Uni-Orbital® Connector that extends to any position up to a 25mm radius.
- Ultra quiet, fast filling back entry cistern.
- WELS 4 star rated, 4.5/3L.

Colour: Stainless steel with white armrest pad and nurse call button.

Seat: Includes **Caravelle Care** double flap or single flap seat in Caroma White (W), Sorrento Blue (SB) or Anthracite Grey (AG). Solid section compression moulded seat with solid stainless steel hinges plus rotatable buffers for extra stability during sideways transport.

Dimensions: All dimensions are in millimetres and are subject to normal manufacturing variations. Caroma pursues a policy of continuing improvement in design and performance of its products. The right is therefore reserved to vary specifications without notice.
