Liano Cleanflush™ Easy Height Invisi II

Combining universal design with rimless pan technology, the **Liano Cleanflush™ Easy Height** is a superior flushing system suitable for domestic and commercial applications. Incorporating several patented technologies: Caroma Flow Splitter™, Caroma Flow Balancer™ and Caroma Uni-Orbital® Connector, the Cleanflush pan is innovative and the next evolution in toilets. The Flow Splitter evenly flows water around the top of the bowl to meet at the Flow Balancer which directs the water powerfully into the sump, reducing the need for brush cleaning. The rimless pan is easy to clean and unlike traditional pan profiles, provides full visibility of any grime build up. Caroma Cleanflush provides a cleaner clean for peace of mind. The adjustable flush pipe is a new feature for the Invisi II system. If the pan inlet hole is higher than the flush pipe due to floor tiling height variations, the flush pipe can be raised by up to 25mm.

- Pan:** Liano Cleanflush™ Easy Height back inlet 4.5 litre full flush rimless pan.
- Traps:** Universal trap for S or P-trap installations.
- Inlet:** 50mm back inlet for concealed cistern and flushvalve installation.
- Cisterns and Flushvalves:** Caroma Concealed Cistern options available – **Invisi II Under Counter/Inwall/ Induct/Inceiling Cisterns** (see Section 6). **Invisi Inwall/Induct/Inceiling Cisterns, Compact Under Counter Dual Flush Cistern, Slimline Induct Cistern, Schell WC Flushvalve Inwall/ Induct** see Section 6.
- Fixing:** The pan can be fixed to the floor by either bedding into mortar or using the supplied D82 Concealed Fixing Bracket.
- Seats:** The **Liano Care** single flap soft close quick release thermoset toilet seat or **Liano** single flap standard close thermoset toilet seat, available in Caroma White (W), Sorrento Blue (SB) and Anthracite Grey (AG), is provided as standard with the Liano suite. A quality solid section compression moulded toilet seat, fitted with buffers and metal hinges.
- Colours:** White only.
- Installation:** The installation of the toilet suite shall be in accordance with the normal minimum drainline grade requirements in AS/NZS 3500.2.
- Dimensions:** All dimensions are in millimetres and are subject to normal manufacturing variations. Caroma pursues a policy of continuing improvement in design and performance of its products. The right is therefore reserved to vary specifications without notice.

Note: The projection requirements for people with ambulant disabilities is 610mm to 660mm.
